

Walk-Up Song Video How-To 🎵 📺

Get inspired by trending videos or creators you follow! We're making fun walk-up videos to introduce our amazing team and show off your personality.

Step 1: Film it

- Take a video of yourself walking in the door like you're starting your day
- Add your own flair (twirl, sunglasses moment, wave, etc.)
- Crop the video to your favorite part

Step 2: Pick your song

- Choose a song that fits your vibe or your favorite hype song 🎧

Step 3: Edit in CapCut

- Start a new project and add your video (use the white + to add more clips)
- Add **slow motion**:
 - Tap the video → *Speed* → *Normal* → try **0.5x**
- Keep the final video under 1 minute

Step 4: Add music

- Tap *Add Audio* → *Sounds* → search your song
- Add it with +, then trim and move the audio to your favorite part

Step 5: Add text

- Top text: *"If our office had walk-up songs..."*
- Bottom text:
 - Your name & title

- Song + artist
- Tip: Top text can last the whole video; bottom text should only show while you walk in

Step 6: Review & post

- Watch once to test everything ✓
- Post directly from CapCut to social media

Caption idea:

If our office had walk-up songs 🎵 Which one was your favorite? What would yours be?

🎉 Done! Can't wait to see everyone's personality shine.
