2. VENDOR LETTER FOR INVOICES - attachment

It's crazy to think budgets are right around the corner! With this, we want all open invoices entered prior to August month-end to begin working on the 2024 budget, and attached are two letters to assist with the process. If you have emails for each of your vendors, you can print a vendor list, and use a modified version of the letter to send an email and BCC all your vendors on it so they're all contacted at once. The important thing is to make sure you reach every

vendor to get those invoices in before month-end! If you have any questions or issues with the attachments, please contact <u>mattd@michelsonrealty.com</u>.

The reports may look similar but often require a different course of action. Please see the attached write-up for further explanation/tips and make sure to share with your team! Do you know what T/C 27 means? If not, see highlighted section in yellow on attachment and keep this document in a handy place to reference.
